To Whom It May Concern

Over the past five years I have commissioned the services of Paul Naylor of Knot Only Carpentry from Wallan. The scope of work that he has performed for me covers a wide variety of works within the building industry. Ranging from simple fit offs, to the construction of complex theatre rooms, bathroom and laundry renovations, and a bull nose verandah construction. I am also engaging his services for a kitchen renovation.

During this time I have found Paul to be of the highest calibre, in his quality of workmanship, his professional conduct and attitude, whilst displaying a high level of competency. It is with this experience that I gladly take this opportunity to recommend Paul's services to anyone that may require work to be performed within the building industry. Along with that, I can also say his professionalism in today's environment, is an attribute which is fast becoming a rare trait within today's tradesmen.

Thanking You

David Walsh.
